WHAT IS THE PATIENT PARTICIPATION GROUP?

We are looking to start a patient group formed by patients of the practice. The aim of the group is to meet 2-3 times a year to discuss patient needs and the services we provide. Patients would meet with the practice manager, staff members, and one of our GPs would attend the meetings whenever possible.

We are constantly looking at different ways to improve the patient experience and this forum gives the group the opportunity to have their say and provide feedback to the practice about patient services, offering improvements and suggestions.

Your commitment is purely on a voluntary basis and you can give as little or as much time as you wish! Why not have join us for a cuppa and a chat!

Why not leave your details at reception and we will contact you with more

Everyone welcome.

Or maybe you would like to be a *Virtual Patient Group Member?*

Time Constraints but want to have your Say?

We are looking to develop a "Virtual Group" to enable patients to give their views and have their say, even if they cannot attend meetings but would like to be involved.

This 'virtual group' would be contacted via email, post or telephone and asked to give their opinions or views on issues which have been discussed at the PPG meetings.

Any contribution from the 'virtual group' would be kept confidential and completely anonymous.

If you would like to join the 'virtual group' please contact Anna Benner on her direct dial on 0115 973 8827 or email her at contact.us@drhc.org.uk
